Infinity Charter School

Home Language Survey
2024-2025

Infinity Charter School requires the completion of the Home Language Survey in accordance with state and federal regulations which states: "The education of students whose dominant language is not English and who are English Language Learners (ELL) is the responsibility of every Local Education Agency (LEA). LEA's are required to provide a program for every student who is limited English proficient (LEP) or an ELL. The school district/charter school must administer a home language survey (HLS) to all students as required by the Office of Civil Rights (OCR). The results of that survey must be retained in the student's permanent folder." PA Department of Education Circular – July 1, 2001.
