

Infinity Charter School

SECTION: STUDENT POLICIES

TITLE: USE OF MEDICATION

APPROVED: August 22, 2004

306. USE OF MEDICATIONS

Purpose:

It is the responsibility of the school nurse to administer or supervise the consumption of medication by a student when such consumption has been ordered by a physician. The School Nurse shall not supervise the consumption of medication by a student unless written approval has been received from the parent and the consumption of medication by the pupil is necessary during school hours.

Guidelines:

Infinity Charter School employees shall not *prescribe* drugs or medicines of any kind to any student. Infinity employees shall not *supervise or administer* drugs or medicines of any kind to any student, except in cases where the failure to receive such medication would jeopardize the health of the student, or pursuant to specific procedures developed for overnight or other fieldtrips.
